

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of: **Tadayuki FUKUHARA, et al.**

Serial No.: **Not Yet Assigned**

Filed: **February 27, 2002**

For: **RADIO LAN MASTER STATION SYSTEM**

PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

February 27, 2002

Sir:

Prior to the calculation of the filing fees of the above application, please amend the application as follows:

IN THE SPECIFICATION:

Amend the Specification as follows:

Please replace the paragraph beginning at page 5, line 24, and ending at page 6, line 11 with the following rewritten paragraph:

The foregoing and other objects, features, and attendant advantages of the present invention will be better understood by means of the following description and drawings wherein;

Fig.1 is a prior point-multipoints radio LAN system having a master station having a single wide angle antenna and a single tranceiver,

Fig.2 is a first embodiment of a radio LAN master station system according to the present invention,

Fig.3 is a second embodiment of a radio LAN master station system according to the present invention,

Fig.4 is a third embodiment of a radio LAN master station system according to the present invention,

Fig.5 is a fourth embodiment of a radio LAN master station system according to the present invention,

Fig.6 is a fifth embodiment of a radio LAN master station system according to the present invention,

Fig.7 is a sixth embodiment of a radio LAN master station system according to the present invention, and

Fig. 8 is a block diagram of a master station according to the present invention.

REMARKS

The above amendments to the specification have been made to place the application in better condition for examination.

Attached hereto is a marked-up version of the changes made to the specification by the current amendment. The attached page is captioned "Version with markings to show changes made."

In the event there are any additional fees required, please charge our Deposit Account No. 01-2340.

Respectfully submitted,
